We got new territory to explore.**

**Reddaway**  

# Reddaway now offers service to and from Texas and Oklahoma.

Reddaway, an award-winning industry leader, is expanding our footprint to meet your north and southbound shipping needs. Now with easy distribution between the western region and Texas and Oklahoma, we have a surefire way to help improve your service and reduce overall shipping costs.

## The Best in the West

With 50 service centers, more than 3,000 employees and 5,000 tractors and trailers, Reddaway is the largest regional carrier in the western U.S. Since 1919, we have provided:

- **Quality handling**
- **On-time performance**
- **One of the lowest claim ratios**
- **Best-in-class customer service**

In fact, Reddaway has earned the prestigious Quest for Quality Award for more than 20 years – a true testament to our company's best-in-class service commitment.

## Our Faithful Companion

While Reddaway is blazing a new trail to and from Texas and Oklahoma, we aren't going in alone. Reddaway is in cahoots with Southwestern Motor Transport Lines (SMTL), a Texas-based company that has been providing top-quality LTL service to customers since 1930. Its comprehensive operations include:

- **14-state LTL coverage**
- **98% companywide on-time service standard**
- **Low claim ratio of less than .5%**
- **Responsive and flexible customer service**

SMTL and Reddaway are proud of this trusted regional partnership. One that provides a more complete coverage area – while ensuring the very best service – for all our customers.
